Natural
Steps*

Because we believe that the best thing exists in nature

That is why the shoe pinching prevention pad and foot supporting product Helloheel are made from 100% natural latex foam. With an innovative production designed based on scientific researches combined with an art inspired by nature, we are able to maintain and improve the natural quality of latex to the premium grade which cannot be found in any other product.

- ✓ *Made from 100% natural latex foam*
- ✓ *Extra flexible, quick revert to original shape, giving softer feel*
- ✓ *Feel natural and soft when in touch with skin*
- ✓ *Suitable for any kind of weather, would not melt and cling to the feet even in hot climate*
- ✓ *Durable, would not easily disintegrate, longer lasting*
